Pediatrics and Clinical Nutrition

FIFTH ANNUAL
HEALTHY CHOICES FOR CHILDREN:
LINKING RESEARCH AND PRACTICE IN CHILDHOOD
OBESITY PREVENTION

CONFERENCE OVERVIEW

Description:

Obesity Prevention is a public health concern. Managing overweight and obesity is critical to the prevention of disease and promotion of good health. After attending this conference participants will be able to:

1. Learn supporting science behind expanding breakfast in the classroom programs that positively impact the school-aged child's nutritional and academic status.
2. Identify and activate programs to tackle the childhood obesity epidemic, including the American Dietetic Association Foundation's Kids Eat Right campaign and Fuel Up to Play 60.
3. Learn the science behind the 2010 Dietary Guidelines for Americans and its practical implementation.

Target Audience: Registered Dietitians, Pediatricians and School Nutrition Administrators. Health and human service professionals and advocates from the fields of public health, fitness, nutrition, health, education, and related disciplines are welcome to attend the conference.

All proceeds from this conference will be donated to Action for Healthy Kids - NY.

Registration Fee: The non-refundable conference registration fee is \$75.00 with a \$40.00 student rate. Make check payable to: ADADC.

Please submit your registration form and fee by March 22, 2011.
