

CARLISLE DINNERWARE

Dayton Dinnerware

Be kind to the environment with this new melamine dinnerware that is made from 50% sustainable natural resources which are biodegradable. Introducing Bavarian Cream color that replicates the color of china. Dinnerware is stain, scratch, and break-resistant. Same reinforced rim and foot design as our Dallas Ware® Dinnerware. Meets PS25-70 specifications. Safe for temperatures up to 212°F. NSF Listed and dishwasher safe.

Sierrus Dinnerware

All purpose, medium heavy weight dinnerware with the same design as Durus®. Sierrus has a 2 year warranty against breakage. Dishwasher safe, break-resistant dinnerware is safe for temperatures up to 212°F. NSF Listed.

Alibi Tumblers

Update your barware presentation with the sophisticated styling of Alibi. Great for outdoor and poolside beverage service. This light weight yet durable SAN is chip, shatter and break-resistant. The thick base mimics glassware. Available in eight sizes including mixer, old fashioned, shot glass and two shooter capacities. Dishwasher safe.

Terra Displayware Rectangular Platters

Terra has the earthy look of hand thrown pottery with the break-resistant durability of melamine. Organic design blends into a variety of settings and offers an exceptional presentation value for buffets or display cases. Unique textured platters add depth and style to any display. Dishwasher safe. Safe for temperatures up to 212°F. NSF Listed.

CARLISLE CONTINUED

Balsam Displayware

The heavy weight nature of this melamine looks and feels like china without the replacement costs. Great for environments where food is prepared and displayed in front of the customer. Foods can be prepared in advance and stacked for storage and transportation when used with Palette Displayware Covers. Break-resistant and safe for temperatures up to 212°F. NSF Listed and dishwasher safe.

Stainless Steel Utility Carts

The Stainless Steel Utility Carts are available in a wide range of weight and shelf capacities. Knock-down Utility Carts provide an economical solution for transport needs and are constructed of heavy gauge stainless steel for superior strength and durability.

ONEIDA
GLOBAL FOODSERVICE

Scroll

Unity

Chateau

Botticelli

A dramatic, steep leaf embossed with hand-carved textures creates an impressive showcase for food presentations.

Venezia

Venetia dinnerware features fine scrollwork on a wide scalloped rim. This classic Mediterranean design is an affordable answer for traditional settings.

Quartet

The appealing design of Quartet with softened edges and wide framing rims, offers a more versatile adaptation of the square design.

Sol

Sol effortlessly combines emotional and practical design elements to form a unique and functional table setting.

Glissade

Titian

EDLUND CAN OPENERS AND SCALE

"Old Reliable" – Series #1

Our original manual can openers have an improved finish and a rust-resistant arbor, a plastic bushing for lower turning force and easier opening, and a base with plastic insert for longer plating life.

Two Speed Electric Can Opener (270)

The only NSF Certified Electric Can Opener for heavy volume operators. **Now with 3 year warranty.** Equipped with 2 speed motor and featuring knife and gear assemblies that can be removed without tools for easy cleaning. The slower second speed helps prevent spillage while opening smaller cans.

Four Star Series RM-25 Stainless Steel Portion Scale

With oversized 7" x 8 3/4" platform (25 lbs. x 2 oz.)
Model No.: RM-25
Case Cube Ft³/M³: 3.5/1.6
Master Case: 6
Case Weight lbs/kgs: 34/15.3

Now dishwasher safe and no need to disassemble scale

S-11 Series

The most sanitary can opener in the world! Rustproof, NSF Certified and dishwasher safe. All stainless steel. Parts remove easily for replacement. **Five year warranty.**

Please visit www.edlundco.com for more offerings.

WARING BLENDING AND FOOD PROCESSING

Liquid Lock Sealed Batch Bowl Food Processors

Sealed, clear-view 2.5-qt batch bowl – process soups, sauces, marinades and more, without leaks. High-impact, unbreakable and scratch resistant polycarbonate lets you see into the bowl. Dishwasher safe. Lighter than metal, but built for tough use.

Variable Speed 1 Gallon Food Blender

- Heavy-duty 3¾ HP motor
- Variable speed for added versatility and consistency
- Easy-to-clean electronic membrane panel
- Stainless steel container with two handles and easy-off rubberized lid
- Dishwasher-safe one-piece jar pad for easy cleaning

Staking "Raptor" Jars for MX Blenders

- Heavy-duty 3½ peak HP motor
- 45,000 RPM
- Simple HIGH, LOW, OFF, and PULSE paddle switches
- One-piece dishwasher-safe removable jar pad

16" Heavy Duty Immersion Blender (WSB60)

1 HP heavy-duty motor, 750-watt variable speed motor – 18,000 RPM on high, 25 gallon capacity. All-purpose stainless steel blade. **Limited One Year Warranty.** NSF Listed.
