

ONEIDA STRATA

This innovative system of inter-changeable components was developed to solve your most frustrating buffet challenges.

Sleek, low profile styling provides a flexible stage for fresh, healthy and appealing breakfast, lunch, breakout, cocktail hour and dinner. Grill, sauté, warm, carve, chafe, serve, and chill, Strata does it all. Designed to use all 3 heat sources; sterno, electric and butane. Ballroom, terrace, conference room or pool, on site or off site, Strata works easily into any environment. Setup

and take down is fast and easy with light, durable components. Collision absorbing cases are included for each stacking base and deck. Organize and store each component in Strata's unique cart – ultra-efficient for back of the house storage. Transportation and setup on location is simple, and the storage cart slides under your buffet table.

ONEIDA

SMALLWARES

TOP O' THE TABLE

CARLISLE DINNERWARE

Modular Displayware

This unique, flexible displayware provides an attractive solution for merchandising prepared food and fits in standard size food wells. The half long lid can be used for sliced deli meats and cheeses. Our modular displayware is made of tough, break-resistant polycarbonate and is safe for use in temperatures ranging from -40° to 212° F. Dishwasher safe and NSF Listed.

Dayton Dinnerware

Be kind to the environment with this new melamine dinnerware that is made from 50% sustainable natural resources which are biodegradable. Introducing Bavarian Cream color that replicates the color of china. Dinnerware is stain, scratch, and break-resistant. Same reinforced rim and foot design as our Dallas Ware® Dinnerware. Meets PS25-70 specifications. Safe for temperatures up to 212°F. NSF Listed and dishwasher safe.

Terra Displayware Rectangular Platters

Terra has the earthy look of hand thrown pottery with the break-resistant durability of melamine. Organic design blends into a variety of settings and offers an exceptional presentation value for buffets or display cases. Unique textured platters add depth and style to any display. Dishwasher safe. Safe for temperatures up to 212°F. NSF Listed.

Alibi Tumblers

Update your barware presentation with the sophisticated styling of Alibi. Great for outdoor and poolside beverage service. This light weight yet durable SAN is chip, shatter and break-resistant. The thick base mimics glassware. Available in eight sizes including mixer, old fashioned, shot glass and two shooter capacities. Dishwasher safe.

ACADEMY OF BEER

ANCHOR HOCKING ACADEMY OF BEER

TASTERS AND SHOTS	TABLE SERVICE	DRAFT SERVICE	DRAFT SERVICE
<p>BARBARY BEER TASTER 93013 • 5 oz.</p> <p>The perfect glass for any beer tasting situation or event. The beautifully designed piece offers truly unique clarity that allows for the beer's color to shine!</p>	<p>PROFESSIONAL SNIFTER 205-00-18 14.75 oz.</p> <p>This is not your uncle's snifter or cognac snifter. These wide-bowl, stemmed glasses are the perfect option for capturing the aromas of strong ales.</p> <p>Recommended Beers: Belgian Ales, Indian Pale Ales, Bockweizens and Shais.</p>	<p>BERLIN BEER F1729 • 14 oz.</p> <p>The open mouth of this tulip-shaped glass broadens the aroma of stronger beers to fill the room and maintains a larger head versus other shapes. This creates a visually stunning presentation of beer.</p> <p>Recommended Beers: Triple-Ole, Bock & Fruit Beers.</p>	<p>TULIP GLASS 90245 • 23 oz.</p> <p>This tulip-shaped glass is used in many beer establishments as the all-purpose draft beer glass, available in 23 oz and 28 oz capacities (Item # 90202).</p> <p>The shape of this glass helps accommodate the aromas of many types of beer, but especially effective with wheat beers.</p> <p>Recommended Beers: Wheat Beers and Lagers.</p>
<p>TASTER GLASS 22830 • 3 oz.</p> <p>A truly versatile glass that fits in with any setting! The simple shape allows for multiple uses from beer taster to shot glass or even as a mini-decant glass.</p>	<p>STEMMED BEER 90249 • 12 oz.</p> <p>These glasses are typically used for beer aromas because they are served at colder temperatures. The tall, narrow shape helps contain the beer's aroma.</p> <p>Recommended Beers: Lagers.</p>	<p>EMPIRE PILSNER 96570 • 13 oz.</p> <p>The clarity of this trumpet-shaped glass helps capture the sparkling effervescence and aroma of the beer while containing the beer's head.</p> <p>The design of this glass adds a touch of class to any table setting.</p> <p>Recommended Beers: Canadian Ales.</p>	<p>ENGLISH PUB GLASS 90244 • 20 oz.</p> <p>An excellent all-purpose beer glass with a slight ridge toward the top of the glass as a tip of grip. This shape is most popular in British pubs and offers an authentic look to any beer service.</p> <p>Recommended Beers: English Ales.</p>
<p>SOLACE 90051A • 5 oz.</p> <p>A completely priced and uniquely shaped small capacity drink glass. Very versatile piece for any type of tasting event.</p>	<p>GRANDEZZA WHEAT BEER 140-00-50 • 11.75 oz.</p> <p>The tall, thin glass provides room for the often thick heads that typically come from wheat beers. The heavy top aroma and is a visually pleasing service presentation.</p> <p>Recommended Beers: Wheat Beers.</p>	<p>FLARED PILSNER 90245 • 13 oz.</p> <p>The wider mouth of these glasses helps expand the aromas of the beer, while the tall, slender body helps keep the beer cooler for a longer period of time.</p> <p>Recommended Beers: Pilsners.</p>	<p>PUB MUG 90250 • 16 oz.</p> <p>90251 • 16 oz. not shown</p> <p>The traditional North American beer-drinking vessel of choice with an upturned flared base (Item # 90251). The more upturned, curved base (Item # 90251). The narrow mouth helps contain the beer's aroma while the handle limits hand contact, which may warm up the beer.</p> <p>Recommended Beers: German Ales and Light Beers.</p>
<p>PERFECT PORTIONS MINI 90063 • 3 oz.</p> <p>Uniquely designed and crafted to provide any establishment with a new element above and beyond simply beer tasting! This glass can be used with both the wooden serving paddle or the Perfect Portions Flight Carrier (see below).</p>	<p>PERFECT PORTIONS FLIGHT CARRIER 90074</p> <p>This metal flight carrier can fit 4 pieces of the Perfect Portions Mini (Item # 90063), 4 pieces of the Glencairn Whiskey Taster (Item # 355-00-31) or 4 pieces of the Barbary Beer Taster (Item # 93013).</p>	<p>BARBARY BEER WOODEN SERVING PADDLE 90038</p> <p>A wooden beer serving paddle that can accommodate 4 each of the 5-oz Barbary Beer Tasters (Item # 93013) to deliver an authentic beer service presentation.</p>	<p>BARBARY BEER 93010 • 20 oz.</p> <p>93011 • 16 oz. not shown</p> <p>Taller and slightly narrower than the standard pint glass, the wide mouth accommodates the aromas of the beer being served.</p> <p>Recommended Beers: Amber Lagers and Ales.</p>

EDLUND CAN OPENERS AND SCALE

“Old Reliable” – Series #1

Our original manual can openers have an improved finish and a rust-resistant arbor, a plastic bushing for lower turning force and easier opening, and a base with plastic insert for longer plating life.

Two Speed Electric Can Opener (270)

The only NSF Certified Electric Can Opener for heavy volume operators. **Now with 3 year warranty.** Equipped with 2 speed motor and featuring knife and gear assemblies that can be removed without tools for easy cleaning. The slower second speed helps prevent spillage while opening smaller cans.

WRD Wireless Technology™ Specialty Scales

Place the scale base anywhere. Now mount the display anywhere as well. Available in 10 and 20 lb. capacities with multiple readout choices and rechargeable battery. Edlund brings a whole new dimension to your operation.

S-11 Series

The most sanitary can opener in the world! Rustproof, NSF Certified and dishwasher safe. All stainless steel. Parts remove easily for replacement. **Five year warranty.**

Please visit www.edlundco.com for more offerings.

WARING BLENDING AND FOOD PROCESSING

Liquid Lock Sealed Batch Bowl Food Processors

Sealed, clear-view 2.5-qt batch bowl – process soups, sauces, marinades and more, without leaks. High-impact, unbreakable and scratch resistant polycarbonate lets you see into the bowl. Dishwasher safe. Lighter than metal, but built for tough use.

Double Vertical Belgian Waffle Maker

- Produces up to 50 Belgian waffles (1-1/4" thick) per hour
- New space-saving vertical design with independent Ready lights cooks two waffles at once with the footprint of a single waffle maker!
- Heavy-duty commercial construction for durability

Staking “Raptor” Jars for MX Blenders

- Heavy-duty 3½ peak HP motor
- 45,000 RPM
- Simple HIGH, LOW, OFF, and PULSE paddle switches
- One-piece dishwasher-safe removable jar pad

16” Heavy Duty Immersion Blender (WSB60)

1 HP heavy-duty motor, 750-watt variable speed motor – 18,000 RPM on high, 25 gallon capacity. All-purpose stainless steel blade. **Limited One Year Warranty.** NSF Listed.
