## CLEVELAND CONVOTHERM OES 10.10 COMBI OVEN

Convotherm by Cleveland OES 10.10 Mini combi oven offers small footprint with maximum performance

Convotherm® by Cleveland's OES 10.10 Mini combi oven gives you the flexibility to steam, roast, stew, bake, or fry. It adapts easily to menu changes without having to purchase new equipment and the small footprint frees up valuable kitchen space – all without sacrificing the quality of the food. Standard features include energy-saving Advanced Closed System (ACS) technology providing automatic optional moisture regulation, and the Crisp&Tasty function.

## LINCOLN COUNTERTOP IMPINGER (ANALOG CTI) 1300

**Small. Versatile. Powerful.**

The Lincoln electric Countertop Impinger (CTI) ovens put large-oven capacity almost anywhere you need it. Small enough to fit on most commercial countertops, but large enough to replace a half-sized convection oven or up to five microwave ovens. Lincoln CTI's utilize a 16" (406mm) wide conveyor belt and 20" (508mm) baking chamber; and can be stacked two high. They are available in 208v and 240v and do not require ventilation in most applications. Lincoln Countertop Impingers are also available in quiet/slower bake models.
