A DOVER COMPANY

COFFEE BREWER CBS-2032E

- Built for Flexibility
2 x 0.5 to 1.0 gallon size provides flexibility in small-to-medium sized operations.
- Cascading Spray Dome
It comes standard with our patented Cascading Spray Dome™, which helps deliver a consistent, perfectly balanced cup of coffee every time.
- Some Like It Double
The dual station CBS-2032e is still as versatile and reliable as the CBS-2031e, but with twice the brewing power.

FETCO
DRIVEN TO INNOVATION

ICED TEA BREWER TBS-2121

- Touchscreen Simplicity
A simple touch is all it takes to experience full control over the brew cycle.
- Functional Design
New features and exclusive designs provide an extraordinary tea service experience for both operators and consumers.
- Style
Modern European style elevates your iced tea service with an attractive, inviting self-serve atmosphere.
- Solid Construction
FETCO's reputation is second to none for precision craftsmanship and everlasting durability.

FOODSERVICE WATER FILTRATION SYSTEM PRO SERIES MANIFOLDS

1-Stage
Model:
FS-HF1-M

2-Stage
Model:
FS-HF2-2M

3-Stage
Model:
FS-HF3-D2M

4-Stage
Model:
FS-HF4-D3M

5-Stage
Model:
FS-HF5-D3ML

Benefits

- Reduces chloramines, chlorine taste and odor, and other offensive contaminants that can adversely affect the taste of beverages.
- Improves the taste of fountain beverages and helps retain the drink's carbonation.
- Sub-micron filtration reduces dirt and particles as small as 1 micron in size.
- Reduces possible health contaminants such as Cryptosporidium and Giardia cysts.
- Protects drink system equipment from clogging, corrosion and abrasive wear.
- Patented cartridge system is simple, quick and easy. Internal filter parts are never exposed to handling or contamination. Patented quarter-turn connection allows for easy cartridge changes.

THREE REASONS TO CHOOSE KYSOR PANEL SYSTEMS

- A properly designed walk in cooler or walk in freezer system provides energy efficiency and years of trouble-free operation.
- You are assured the highest quality design and installation because we invest heavily in the best manufacturing, design and specification technologies.
- Kysor has been setting design, quality, versatility and service standards in walk-in coolers and freezers for over 50 years.
