ONEIDA[®]
GLOBAL FOODSERVICE

MAYWOOD TABLES

Maywood is proud to re-introduce our unique Original Lightweight for heavy-duty usage. The chassis is the Maywood's Original Series base – the strongest in the industry! This table is much stronger than the plastic table and about the same weight. Great for hotels, conference centers, and convention centers.

- Legs made from 1 1/2" square, 20 gauge steel tubing
- All metal parts are black powder coated
- Chassis is a welded and riveted self-supporting unit
- Additional steel cross rails where needed
- Automatic lock insures braces lock in past center position
- Metal glide caps standard

ECO-BURNER CHAFO

ZERO WASTE

The EcoBurner Chafo will reduce your fuel waste to zero while providing more heat at a lower cost.

SAFETY FIRST

The EcoBurner Chafo features an over-temperature shut-off valve, and an overturn shut-off mechanism to ensure the highest levels of safety.

COOL TO TOUCH

The body of the EcoBurner Chafo remains cool to touch, both during and after service.
