## Glastender®

FEATURE FOCUS

FEBRUARY 2011

Not everything is better  
with a short skirt.

The short skirts on our competition's underbar cause the liquor bottles to rise above the work surface, impeding work flow.

Glastender solves this dilemma by providing a 14" skirt that is up to 40% taller than our competition.

Sometimes  
less isn't more.

Expect more — *more flexibility* — more features

Glas  
tender.
