JFT LoH₂O[®] Rackless Conveyor

Rainbow Rinse™ produces superior results while significantly reducing water consumption

Specially designed wash arms with non-clogging, convex jets provide equalized water pressure and uniform cleanability

Reliable electromechanical controls and digital temperature readouts for each wash tank and final rinse

Rackless conveyor, up to 11,094 dishes per hour, 58 gallons of water per hour, Rainbow Rinse™ final rinse arm, non-clogging wash and rinse arm nozzles, sequential digital temperature readout of each tank, door safety switches, belt tension adjustment, large removable scrap screens.

Also available in our 139.2 gallon/14,964 dishes per hour model - JFT

Assembly of all flight sections - including internal wiring, piping, thermometers and leveling of the machine - is performed by Jackson factory-authorized personnel. The Jackson factory authorized personnel will also conduct a performance test and operator training at time of assembly. Final utility connections for plumbing and electrical shall be provided by others and should be conducted by an authorized and licensed tradesman in accordance with local, state and national building codes and guidelines. All Jackson Flight-Type machines come with a one-year Parts & Labor Warranty and a two-year Preventative Maintenance Program (PMP) through the local Jackson Authorized Service Agency (ASA).

WARRANTY/EXTENDED WARRANTY: All new Jackson manufactured dishmachines are warranted to the original purchaser to be free from defects in material and workmanship, under normal use and operation, for a period of one (1) year from the date of purchase. Extended warranties are available on new Jackson manufactured dishmachines and must be purchased at the time of equipment order. A one (1) year extended warranty is available at a rate of 10% of the purchase price and a two (2) year extended warranty is available at a rate of 18% of the purchase price.

FREE START-UP: All new Jackson manufactured dishmachines qualify for a Complimentary Performance & Installation Check by a Jackson Authorized Service Agency (ASA)*. When the machine is installed by a Jackson ASA, this complimentary service is provided at the time of installation.

When the installation is not performed by the local Jackson ASA we will still conduct the Complimentary Performance & Installation Check to verify the installation was done correctly and that the machine is operating properly. Contact Jackson Technical Service to arrange for this service.

**Jackson WWS limits travel time to two (2) hours and mileage to one hundred (100) miles round trip. Jackson WWS will not pay for travel time and mileage that exceed this, or any fees such as those for air or boat travel without prior authorization. For machines located beyond the above stated limitations, please contact Jackson Technical Service for assistance via phone, 1-888-800-5672.*

QUICK-SHIP PROGRAM: All items marked with  are part of Jackson's Quick Ship Program. Standard shipping for these products is 1 to 2 business days. Please contact the factory for lead times on custom, specialty or other Jackson-provided products.

RETURNS: All returns must be authorized in writing by Jackson and are subject to a 25% restocking fee and freight charges both ways.

**ALL PRICES ARE IN U.S. DOLLARS.

About Jackson

Jackson WWS is a full-line supplier of high-quality commercial dishmachines including flights, conveyors, door-types, glasswashers and undercounters. Founded in 1925, Jackson stands by their “Clean the First Time®” commitment with dishmachines that deliver optimal cleaning performance while reducing labor, chemical and utility costs. With more standard features, lower operating and acquisition costs and our network of factory-certified technicians, Jackson sets the standard for warewashing. For more information about Jackson and its full line of warewashing solutions, please visit www.jacksonwws.com or call 1.888.800.5672.
