## Manitowoc Foodservice receives ENERGY STAR Partner of the Year Award in recognition ceremony held in Washington DC

**New Port Richey, Fla. - April 13, 2011** - At the recent 2011 ENERGY STAR® Awards ceremony held in Washington D.C., Manitowoc Foodservice received official recognition of its ENERGY STAR Partner of the Year Award. The 2011 Partner of the Year Awards were given to manufacturers and retailers that successfully promoted and delivered ENERGY STAR qualified products, saving consumers money and reducing greenhouse gas emissions. Award winners were selected from more than 17,000 organizations that participate in the ENERGY STAR program. This is Manitowoc's second year receiving the award.

Manitowoc Foodservice remains focused on adding to its ENERGY STAR product lineup by continuing to invest in research and development leading to commercial foodservice equipment that is good for the industry as well as good for the environment.
