We are pleased to announce that Zink Foodservice Group has partnered with NIC to offer you a complete analysis of your commercial electric and gas expenditures. NIC has serviced our account for 6 years and continues to deliver excellent customer care and competitive rates. We know they will do the same for you!

Deregulation of electricity and gas is sweeping the nation and NIC is here to help. They know how to navigate through the process and politics often involved in getting your business the best rates available. Providing you with multiple quotes from the largest suppliers in the industry,

NIC gives you a choice and ultimately saves your business money.

Energy savings vary, but NIC customers can save up to 30%!

Customer satisfaction is crucial! If you are not completely satisfied, you can change your supplier at any time.

To get started, simply email amym@zinkfsg.com or fax 614.899.9797 your most recent electric and gas bills and a sales associate will contact you! For questions, please call 800.492.7400 and we will put you in touch with an NIC representative.
