## Introducing Nexus™

Nexus is the very first Wedgwood Hotel Porcelain collection. The unique, arcing Nexus decoration adorns the fashion-forward Trapeze shape. Created by the world-renowned English design team of David Queensberry and Martin Hunt, Nexus on Trapeze is a daring statement in contemporary tabletop style.

# Innovative Forms

The most alluring characteristic of Nexus on Trapeze involves the joining of the pure circle and square shapes within one frame. The surfaces and edges created by the shape intersections produce a spectacle of light and shadow. These fascinating structures add depth and interest to any tabletop landscape.

# Stylish Decoration

The sweeping Nexus decoration is reminiscent of an arcing trapeze. Patterns brilliantly accentuate the unique contour of each Trapeze item. The rapid succession of white lines creates tactile scenery that will support, not interfere, with any food styling.
