Bits - A Two-Minute Newsletter

"Dad, did you know - in some other countries you don't know who your wife is until you get married?" "Son, it's like that everywhere."

"When the debate is lost, slander becomes the tool of the losers."
Socrates

Try it! Multiply the number 9 by any number. Then add the digits of the answer until you get a single digit. That number will always be 9. Example:
 $1,357 \times 9 = 12,213$
 $(1 + 2 + 2 + 1 + 3 = 9)$

A recent study carried out among Belgian women indicated that the woman who carries a little extra weight lives longer than the man who mentions it!

"Don't let the winds blow your dreams away ... or steal your faith from God."
Vince Scully

Eli Whitney's hand-cranked machine could separate white cotton fiber from its sticky green seeds, processing 50 pounds of cotton a day, ten times more as doing it by hand. Whitney spent all his profits from the cotton gin on lawsuits defending his patent.

I had amnesia once - or twice.

The word in English with the longest string of letter sounds (syllables that sound like letters when pronounced) is "exped-ency," pronounced X-P-D-N-C.

A TEST!

Which country makes Panama hats?

Call us or visit our website and select "What's New" for the answer.

Did you hear about a planned merger between Xerox and Wurlitzer? They will produce reproductive organs!

It's more difficult to make blue colored fireworks. It has to do with balancing heat and the chemical compositions.

In France, where tennis became popular, round zero on the scoreboard looked like an egg and was call "l'oeuf," which is French for egg. When tennis was introduced in the U.S. Americans (mis) pronounced it "love."

Teach a child to be polite and courteous in the home and when he grows up, he'll never be able to merge his car onto the freeway.

We provide complete sales service for leading manufacturers of food service equipment.

"Call today for the best service you've ever had."
