

INDIVIDUALLY WRAPPED DONUTS

Eliminate touchpoints with our line of pre-packaged thaw-and-serve fully finished donuts ideally suited for C-stores and foodservice menus.

In response to the high demand for touchpoint-free foodservice options, Baker Boy has launched The Donut Hole® Individually Wrapped Donuts.

These fully finished donuts are wrapped in perforated plastic and allow for at least three days of shelf life. The donuts are ideally suited for C-store bakery cases, or as an easy-to-serve foodservice breakfast option for hotel breakfasts, healthcare and senior living, universities, caterers, supermarkets and coffee shops.
