BAKER BOY

CLEAN LABEL DOUGHS

Less ingredients. Better taste.
Longer baked shelf life.

Customers are demanding clean-label bakery products, and Baker Boy is helping you answer that call.

You'll find better taste and a longer baked shelf life in some of our longtime favorites, as well as a new dough product that are all free from artificial flavors, artificial colors, and high fructose corn syrup.

Why Clean Label Dough?

- Shelf life of 12 days* after baking.
- No high fructose corn syrup.
- No additives, artificial colors or flavors.
- Improved flavor profile and texture.
- Made with unbleached flour.
- Customers are demanding this trend.

* 5 days of in-store shelf life and 7 days of in-home shelf life.
Based on ideal preparation and baking, store and home conditions.
