## Leading the **ASIAN CATEGORY**

Pork Potstickers / #5280230

Asian cuisines are one of the most popular types of food that consumers enjoy as 86% of consumers have tried and liked this type of food. Asian flavors account for three of the top 10 fastest-growing flavors in restaurants over the past five years. One in five Generation Z and Millennials eat an Asian dish weekly. The popularity among older consumers cannot be ignored either with 75% of Baby Boomers eating these dishes. As ethnic foods and flavors become more mainstream, Asian cuisine will provide a major opportunity for operators to capitalize on the trend for these favorite flavors and dishes.\*
