# TOPPINGS AND RECOMMENDATIONS

**Baker Boy’s delicious toppings are the most enchanting way to finish off our new Magic Ring® Filled Donuts.**

## Apple

Roll this donut in a cinnamon sugar mixture, or lightly drizzle it with White Icing to bring out the apple filling’s flavor.

Want to try a Caramel Apple Donut? Mix caramel topping with our Donut Glaze, heat the combo and then dip the donut for a sweet caramel topping.

## Bavarian Creme

Enhance the Bavarian’s vanilla flavoring by icing these donuts in Chocolate or Maple Icing. Adding a light drizzle of any icing also enhances the appearance. After icing, there’s endless ways to continue decorating these donuts, from crushed cookies and candies to nuts and salty snacks.

## Blueberry, Lemon, Raspberry and Strawberry Lemonade

These donuts pair best when topped with White Icing and also taste great glazed. Don’t be afraid to try the Chocolate Dip Icing on the Raspberry too.

The jelly flavors make great candidates for dual-icing concoctions. Use food coloring to enhance White Dip Icing and create unique donuts.

Top them with decoettes, sprinkles, or fruity candies to enhance the eating experience.

## Chocolate & Bavarian Creme Chocolate & Cherry

Chocolate Icing is the best way to bring out the flavors in both of these donuts.

Some donut-makers love pairing the Chocolate & Bavarian Creme with a mixture of peanut butter and our White Dip Icing. Top these donuts chocolate-flavored candies or cookies, but also decoettes, sprinkles, or crushed nuts.

## Pumpkin Cream Cheese

This dual-injected seasonal donut is simple to decorate. Coat in cinnamon sugar to enhance the “fall” feel, or use white icing either on its own or with food coloring to create shades of orange, brown, etc. to excentuate visual appeal.

## Strawberry Cream Cheese

This dual-injected donut is delactable with White Icing. Use food coloring to create shades of red or pink that enhances the donut’s appeal. Using Chocolate Icing creates a chocolate-covered strawberry flavor.

Make gourmet donuts by adding fresh strawberries and sprinkling graham cracker or cheesecake crumbles on top.

**Preparation Note:** It is important to ice Magic Ring® Filled Donuts on the side without the eight injection points. This allows for a better presentation to customers and a more attractive donut.
