Turkey Tenderloin Tips: versatile, popular, nutritious

JENNIE-O® Turkey Tenderloin Tips are 100% breast meat and full of menu possibilities. These tenderloin tips can be featured C.O.P. with a stir fry, skewers or more - used as an optional salad add-on - menued as a kid's meal - or offered as part of your appetizer line-up. It's a noticeably new way to feature popular, on-trend turkey.

Easy to use, and ready for action.

JENNIE-O® Turkey Tenderloin Tips make it easy to serve great food that helps customers eat well. These tips are lightly marinated, truly delicious and sized for menu versatility. Turkey is already familiar to your guests – now these turkey tips make it even easier to add a new twist, stay on trend and please your guests.

How Turkey Tips further enhance your menu:

- Premium raw turkey cut from the breast (not diced, chopped or formed)
- Approximately 1 oz. whole pieces that cook quickly (with no cutting)
- One SKU can support applications throughout the menu
- Works well with existing salads and appetizers
- Ideal for replacing beef tips to revive presentations
- Packaged in a convenient 2 lb. size
