## Terms and Conditions

**Effective Date: May 19, 2014**

<b>Price Effective Date</b>	Prices will be based on the ship date. Prices will be determined and confirmed upon receiving and processing the purchase order.
<b>Price Changes</b>	We will provide minimum 30 calendar days' notice on price changes. Price Increase buys cannot exceed 2 weeks average historical purchases.
<b>Order Info</b>	Orders should be submitted via EDI or by fax (580-616-4636).
<b>Order Lead Time</b>	Five (5) business days from order to shipment, based on published LTL sailing schedule.
<b>Order Minimum Qty.</b>	2,500 pound gross weight minimum per order. Less than 2,500 pounds can be purchased from an authorized AdvancePierre Foods redistributor.
<b>Bracket Determination</b>	Price brackets are determined on a per purchase order basis using the gross weight of the order. Truckload is defined as 30,000 gross weight pounds. In the event the truck cubes out before it weighs out, it will be classified and priced as a truckload.
<b>Truckload Orders</b>	Truckload deliveries will be based on earliest ship date possible plus the transit time required to reach destination point. Orders placed outside of normal lead-time are subject to product availability.
<b>Order Quantity by Product</b>	We require that all SKUs be ordered in tier/layer quantities only. See price list for ti/hi and pallet quantities.
<b>Pick Up Allowances</b>	All pick up allowances earned will be reflected at bottom of APF invoice as a line-item amount. Pick-up pricing is truckload bracket delivered pricing minus a point-to-point allowance. Contact AdvancePierre Customer Service for Allowance.
<b>Distribution Center - Customer Pick Ups</b>	Distribution Center pick-ups are allowed at designated distribution centers. Pick-ups require a 5,000 lb. minimum order weight for all products based on gross weight. Tier/layer quantities are required. <b>Payment Terms (days)</b>	Net 15 days
<b>Replacement Orders</b>	There are no automatic Back Orders. All POs are closed upon shipment. If any or part of an order is shorted, customers are asked to submit a replacement order with a new PO. Every effort will be made to price replacement orders at their “original” weight bracketed price.
<b>Floor Stock Protection</b>	We offer no floor stock protection in any pricing action and reserve the right to modify any orders that are outside of a normal ordering pattern.
<b>Order Changes</b>	Order changes received up to noon (CST) two (2) days prior to shipment will be processed and accepted based on product availability and transportation availability. Revisions for orders received up to this time will be included in our customer score cards.
