*For crediting as a Grain/Bread Component, FNS Child Nutrition Programs require 1) all grains/breads items must be enriched or whole grain, made from enriched or whole grain and/or flour. If using a cereal it must be whole grain, enriched or fortified. Bran and germ are credited the same as enriched or whole grain meal or flour; 2) the exact or minimum amount of creditable grains must be documented to assure that 16 grams of creditable grains equals one grains/breads serving. Grains/Breads may be credited in ¼ serving increments.
