Partner with Diamond Crystal Brands to Reopen Your Operation with Single Use Condiments

 **DIAMOND CRYSTAL BRANDS**

dcbrands.com

We are in unprecedented times. Decades long operating procedures need to change at lightning speed. At Diamond Crystal Brands, the health and safety of your employees and guests is our number one priority.

As you look to reopen your operation in a COVID-19 environment, consider a pivot to single use condiments and sauces. Diamond Crystal offers a wide variety single use condiments, from portion control liquid condiments to dry condiments and seasonings.

MAKE SWITCH

The Centers for Disease Control (CDC) is advising restaurants to avoid items that are reusable, such as condiments, and recommending to instead use single serve condiments.¹

Better For You Condiment - Better For You means low sodium, gluten free, and no trans-fat. You won't find artificial colors or flavors, high fructose corn syrup, or added MSG, either. To top it off, each recipe adheres to flavor and nutrition guidelines without sacrificing taste.

¹ Considerations for Restaurants and Bars. Updated May 18, 2020.

MAKE the SWITCH

Swap condiment bottles with individually wrapped packets.

88% of diners do not want shared condiment bottles and **55%** would not use them when dining away from home.¹
