

PEACH OAT CRISP
with Whole Grain Oat Crisp Topping

Desserts

DREAMY & DECADENT

Our Foothill Farms® Desserts add decadence and versatility to your menu. Use our products to create unique items on your menu that will keep your customers coming back for more!

- **Whole Grain Oat Crisp Topping** - a perfect complement to fresh, frozen or canned fruit. Our topping provides a fun and tasty way to add some crunch to fruit dishes. It's a delicious, extremely versatile, ready-made crumb topping that both kids and adults will love.
- **Non Fat Whip Topping** - A rich, creamy whipped topping saves valuable space by going from dry to decadent in moment. It's the perfect topping without the guilt or fat (water added only) that compliments any dessert. Finished product will have a rich, airy appearance that's ideal to top pies, cakes, parfaits, smoothies, shakes, hot cocoa and specialty coffees.
- **Meringue Mix** - No need to separate egg whites or measure sugar with Foothill Farms® Meringue Instant Mix. Whip mix with water and within minutes you will have perfectly smooth, weepless meringue with soft peaks that is consistent and perfect every time. Form into biscuits, shapes and cookies or top pies and tarts. Change the flavor by adding vanilla, almond or coconut extract.
- **Bread Pudding Mix** - Available in neutral flavored or with cinnamon, our Bread pudding mixes create delicious bread-based sweet desserts or savory breakfasts. Just combine mix with bread, water and a few back-of-house ingredients to create signature treats that'll dazzle your customers. Blends well with fruits or special flavorings.
- **Complete No-Bake Graham Cracker Crust Mix** - A premeasured recipe that combines the perfect blend of graham cracker, flour, sugar, honey and molasses for a delicious, labor-free crust every time.
- **Cobbler Mix** - A sweet premeasured pastry topping created to produce tender and moist batter for consistent desserts every time. Simply combine mix with water or juice and fruit of your choice and bake. With its light and fluffy texture, the batter is also ideal for fruit bars, strawberry short cake biscuits and cookies.
- **Mousse Mix** - Available in neutral, vanilla, and chocolate, Foothill Farms® Mousse is a light and decadent dessert. Simply add the mix to a measured amount of cold water (or cold milk). After whipping, the finished product will have a rich, airy appearance, and a delicious flavor to match.

BREAD PUDDING**

DRIVE PROFIT WITH DESSERTS

- 93% of all consumers ate dessert in the past week
-Datassentials
- Bakery ingredient brands are targeting time-pressed consumers with convenient formats, such as pre portioned mixes and cakes in a cup, along with other simplified preparation solutions
-Mintel
- Foodservice locations could move more sales of desserts if they redefine traditional dessert foods as snacks, sides, or meal add-ons
-Datassentials
- Some of the most menued desserts are cakes, pies, and cobblers
-Datassentials

EXPERIENCE THE ADVANTAGES

In comparison to ready to use competitors, our dry mixes have a longer shelf life.

- Less waste & higher profitability - a longer shelf life means that you will have less waste due to spoilage with our products. This means increased profitability for you!
- Versatility - Our products can easily be mixed with a few back of house ingredients to create a wide variety of products with unique flavor profiles.
- Same great delicious taste - when it comes down to it, our products still have the same premium taste you are wanting!
