Thick-It® AquaCareH₂O® Tea was created to help provide proper nutrition and hydration for people with swallowing disorders.

Thickened with xanthan gum, and served in convenient single-serve 8-ounce or multi-serve 64-ounce resealable bottles, this premium tea can be served hot or cold to increase the variety of your patients' diets.

With Thick-It® AquaCareH₂O® Thickened Tea, the beverages you serve your patients are the proper consistency – safe and reliable every time. Pre-thickened beverages can help save you and your staff time, avoid costly fines and improve patient satisfaction.

Like all Thick-It® AquaCareH₂O® Beverages, our Thickened Tea is:

- Clear, thickened with xanthan gum
- Convenient – Available in nectar and honey consistencies; no mixing; resealable bottles
- Reliable – Maintains proper consistency over time and temperature
- Versatile – Chill or heat; freeze to make ice cubes
- Dietary Friendly – Kosher, Kosher for Passover and gluten-free
