Tempt more customers to buy

Based on research, Balancing Desserts™ helps you create an appealing array that will increase the odds of selling desserts.

With just four flavors and attention to textures, shapes and presentation, you can build a menu that is difficult to resist.

by balancing your dessert menu.

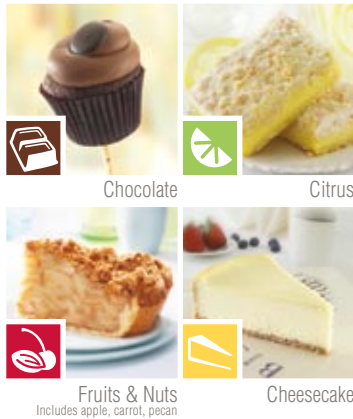

Nearly half of patrons choose a restaurant because it serves a dessert they like, so Balancing Desserts™ can help increase your check averages and return business as well. Attract them. Satisfy them. And enjoy a delicious boost to your business.

TASTE

MOVES PATRONS TO BUY WITH FLAVOR AND TEXTURE.

FLAVORS

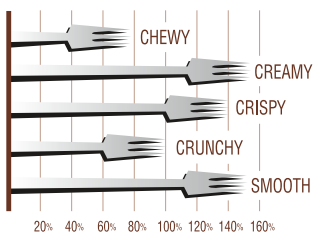

TEXTURES

Different textures make your menu interesting and intriguing. Textures also give your waitstaff a good starting point for mouthwatering descriptions.

It takes only four flavor profiles to increase the likelihood one dessert on your menu will appeal to each customer. Research indicates these are your patrons' favorites. And with these four flavors on your menu, you can appeal to 88% of patrons.³

Customers Respond to a Selection of Textures.³

APPEARANCE

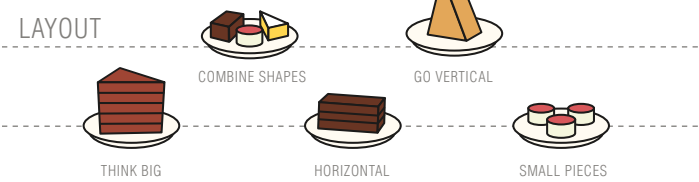

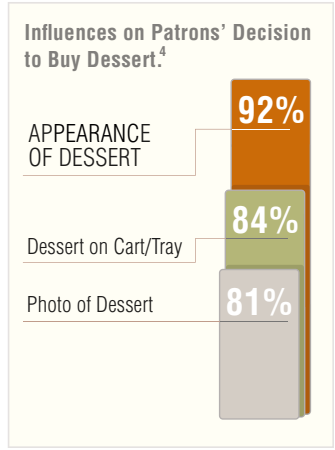

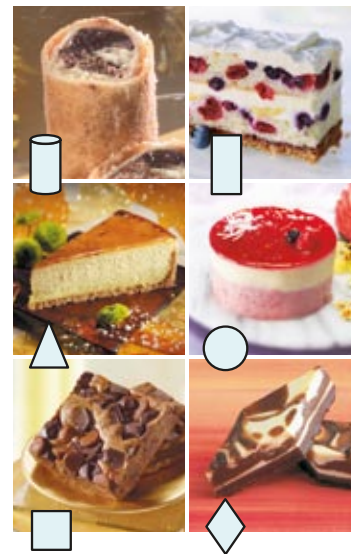

ATTRACTS WITH SHAPE AND PRESENTATION.

SHAPES

PRESENTATION

Are you presenting an interesting array of shapes? Imagine your desserts on a tray. In your menu, include a visual description to capture patrons' imaginations early in the meal occasion.

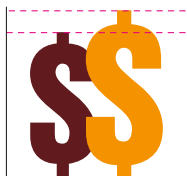

The dessert has to look spectacular no matter how you present it—on a full dessert cart, with signature platescapes or in a stunning photo on your dessert menu or merchandising. And it's all easier if you start with desserts that are gorgeous.

Waitstaff training program inspires higher check averages.

Sell more desserts by helping your waitstaff get better at it. Our customizable program offers tips for selling desserts, detailed descriptions and incentives to inspire your staff to sell. Dessert First™ helps your waitstaff become more knowledgeable, increasing their involvement, which ultimately raises check averages.

Check averages can increase by 25% when a patron orders a dessert.⁵

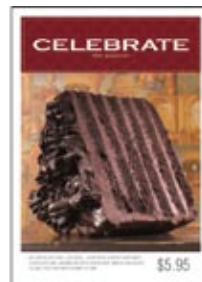

80% 80% of patrons would be more likely to order a dessert if the server is enthusiastic and knowledgeable about the dessert.⁵

Grand Cru Petit Fours

Berry Dacquoise (8 pieces per tray)

Two layers of chewy almond dacquoise house layers of berry-infused mousse all finished with a ruby red miroir.

Crème Brulée Tartlette (6 pieces per tray)

Crème brulée miniature sits atop a caramel-filled tart shell. Hand-fired and glazed.

Caramel Almond Salambo (6 pieces per tray)

This Salambo is filled with a delicate caramel-infused pastry cream and rolled and scattered with toasted almonds. Finished with a miroir glaze.

Opera Diamond (8 pieces per tray)

A twist on the classic opera cake. Layers of coffee buttercream, chocolate coffee mousse and chocolate craquant. Finished with an enscribed chocolate ganache top.

Lemon Cream Shortbread (6 pieces per tray)

A buttery shortbread round provides a unique base for our tart and creamy lemon curd which is decorated with freshly candied lemon and orange zest all glazed for a lovely sheen.

Apple Tart Tatin (6 pieces per tray)

An adorable mini caramelized apple sits atop a crisp puff pastry round. Glazed for glimmer.

São Tomé Chocolate Barquette (8 pieces per tray)

São Tomé, an exotic island off the coast of West Africa, provides a Grand Cru chocolate (75% cacao) lounging atop a raspberry-filled chocolate crust for intense flavor in this small bite. "Single origin ingredient" is an important phrase in food today. This exquisite chocolate meets that trend.

Grand Marnier® Salambo (5 pieces per tray)

We chose this mini-éclair presentation rather than the round cream puff to add a different shape as well as sophistication to our collection. Filled with a delicate Grand Marnier®-infused pastry cream and finished with vanilla and chocolate fondant.

Raspberry Passion Fruit Barquette (8 pieces per tray)

Our boat-shaped buttery tart shell holds a dollop of intensely flavored passion fruit curd, one fresh, ripe, red raspberry and a sprinkling of pistachio for color all glazed to make this one a gem.
