

CUSTOM DECORATED GLASSWARE

Custom Decorated Glassware is a great way to increase the perceived value of a visit to your establishment — and to stand out from the competition. Decorated glass draws attention to your beverage selections every time it is in use, and if combined with a take home program — it is a remarkably effective method to keep your name in front of your guests.

Cardinal offers single and multi color screened logos, subtly placed pour lines, metallic banding, satin-etch finishing, and color decals, to name just a few of the many options available. Your glass will be decorated lead-free compliant with foodservice safety guidelines.

If you're working within a fixed budget, our designers are happy to consult with you in adapting your design, keeping your branding requirements and desired appearance in mind. Whatever your choice, we'll work with you throughout the design process to answer your questions, meeting your every need. We'll fine tune the design and decoration, and establish a production schedule to meet your requirements for quality and delivery.

With fast and convenient service, low minimums, preproduction artwork samples, and custom design available, we can create a signature glassware program to enhance your presentation and profits.
