DINNERWARE COLLECTION

Elegance, Style, and Value combine to create the Dinnerware selections in the Cardinal Portfolio of patterns. From Extra Strong Porcelain, Maxima® bodies, and vitrified bodies in our ceramic patterns to Fully tempered Glassware and our Signature Opal® and New Zenix® collections, Cardinal offers the best solutions for your foodservice needs.

The Cardinal Portfolio provides a range of patterns and collections that are designed for longevity and developed to satisfy the needs of Professionals.

Our latest innovation from the Design Engineers at Arc International is Zenix®, a revolutionary new mineralized material and new manufacturing process which results in the ultimate dinnerware answer for foodservice professionals. Its strength against breakage and chipping is a full four times stronger than ceramic dinnerware and its flawless finish is impervious to metal marking and scratching. The Zenix® patterns carry a 5 year chip guarantee and can qualify for a first ever 10 year shape guarantee.

We are pleased to introduce Bone China in Arcoroc®, where the strength and durability of 51% bone Ash is perfectly complemented by affordability within the marketplace. Our Bone China patterns are backed up with a 5 year chip guarantee.

Our Extra Strong Porcelain patterns carry a full 5 year chip guarantee on ALL pieces in the collection - yes, even on cups, saucers, and square corners. Extra Strong porcelain offers up to twice the mechanical resistance of ordinary china bodies - reducing resupply costs and providing ware that simply stands up to professional usage. Our Maxima body is made with a high Alumina additive to deliver beautiful and elegant designs with maximum strength and 5 year chip guarantees.

Zenix®

Arcoroc® Introduces Zenix®, a superior material that blends dinnerware durability and design to its highest level. This pure mineralized dinnerware material harmonizes the aesthetic food presentation desires of culinary professionals with their rigorous table-service demands. Zenix® dinnerware carries Arcoroc's five-year chip warranty and a first-time-ever 10 year shape warranty!

Maxima

Maxima®

Because commitment to excellence permits no compromise, Chef & Sommelier® dinnerware is made with patented Porcelain Maxima®. This body is two times more resistant than other products of the same thickness, and we guarantee against chipping for five years.

Extra Strong Porcelain

Developed for professional-use, Extra Strong Porcelain is always a star performer. It offers up to twice the mechanical resistance and it's guaranteed against chipping for up to 5 years. Arcoroc® porcelain boasts enduring scratch and dishwasher-resistance.
