

GLASS DINNERWARE

“A signature salad makes our menu special.”

GLASS DINNERWARE COLLECTION

Glass Dinnerware is the perfect solution for many dining room dilemmas. Cardinal offers Fully Tempered Glass dinnerware in a variety of shapes and sizes to go from salads and appetizers to main courses and desserts. Designs are created to complement ceramic dinnerware and provide a touch of the unexpected to your house specialties.

Strength, durability and cost savings are key components of choosing glass dinnerware. The Cardinal Portfolio offers glass dinnerware in Elemental, Arcoroc® and Chef & Sommelier® so choosing something special is both easy and affordable.

Fully Tempered Dinnerware is kind to the environment and kind to your budget. Surprisingly affordable at installation and its fully tempered manufacturing process is designed to last up to 5 times longer than ceramic dinnerware. We're finding ways to help you reduce resupply costs and remain committed to our environment with fully recyclable ware.

Fully Tempered Glassware

Arcoroc developed the Fully Tempered Glassware process in 1958. We still hold the leadership position by providing products that are up to 5 times more resistant to breakage – which makes them 5 times more practical in today's environmentally friendly restaurants. Fully Tempered Glassware offers fewer breakages, increased strength and safety for handlers – without the loss of style and elegance.
