

OUTDOOR PERFECT

“The ultimate solution to our outdoor dining concerns.”

OUTDOOR PERFECT COLLECTION

Arcoroc® is proud to offer a new evolution in drinkware: Outdoor Perfect. Designed specifically for professional use in outdoor and glass-free environments, Outdoor Perfect is created in BPA-free S.A.N. plastic for venues such as pool decks, spas, rooftop bars, and nightclubs.

Outdoor Perfect mimics the classic lines of Beaming for a range of mixers, hi balls and old fashioned. The 14-piece line is further complemented by a complete range of cocktail, beer, wine and beverage service pieces designed to withstand rigorous outdoor use.

S.A.N. Plastic provides durability, clarity, and attractive pricing without sacrificing Arcoroc's professional foodservice requirements, including 2,000 dishwashing cycle performance, water vents on the sham for drainage, and elegant indoor/outdoor style.

Outdoor Perfect is made from a fully recyclable material, and is far kinder to the environment – and the budget – than the disposable plastic ware often used in glass-free environments. We invite you to order a sample today and see for yourself how Outdoor Perfect can be the ultimate solution for your pool and rooftop dining venues.
