

# Primary by Chef & Sommelier

Primary Glassware is a natural complement to Cabernet and Grands Cepages Stemware.

Primary is the perfect addition to upscale stemware. With sleek styling and soft curves, it's ideal for stemless wine and doubles as a lovely cocktail or water glass. The ultra sheer rim enhances the tasting experience, and Kwarx® technology ensures it's strength.

- Multipurpose glassware option, three useful sizes
- Pure colorless glass – shows the true color of the wine
- Retains clarity and brilliance in over 2,000 dishwashings
