Cardinal is growing our Beer Collection with two popular capacities in our most popular beer shapes:

**Linz Pilsner** is now available in a new 18 oz. capacity. While it was created for serving Craft beers, it is also a great alternative for serving the "skinny cocktail" trend.

**Martigues**, a long trendy shape is now available in the popular 20 oz. size. Also recommended for craft beers, the Martigues shape is a sturdy standard with it's heavier sham.
