

# Cabernet Collection

4 stem shapes, 3 tumbler shapes to complement wine and beverage service

Chef & Sommelier

**The Cabernet Collection** is growing to include new shapes, stemless wine, and classic tumblers. Each is crafted of Kwarx® Material to ensure strength, durability, and long lasting service. All are sheer rim designs created to go from bar to table, to bottle service.

## Kwarx® Sheer Rim Stems:

- **Cabernet Millesime** in 4 capacities with a more contemporary shape
- **Cabernet Ballon** in 4 capacities for full bodied red wines
- **Cabernet Young Wines** in 3 capacities for pour control and opening young wines
- **Cabernet Tulipe** in 10 capacities for space saving red or white wine service

## Kwarx Sheer Rim Tumblers

- **Primary Stemless** in 3 capacities reflect a stemless Tulipe shape with sheer rim.
- **Lima Stemless / Tumbler** in 3 capacities with a contemporary shape and sheer rim
- **Cabernet Sheer Tumbler** in 4 capacities features a heavy sham bases and sheer rims

**Kwarx® Material:** Clear, Bright, & Strong  
A revolutionary material created specifically to allow sheer rim stems to obtain extreme strength. Give us a call for free samples – and put this revolutionary material to the test in your venue.
