

Sensation Exalt Collection

11 stems and 2 tumbler shapes for universal wine and beverage service

C&S

Chef & Sommelier

The Sensation Exalt Collection is designed with 2-piece pulled stems for an elegant and sturdy tabletop. The Classic sheer rim bowl shape is perfect for universal red or white wine service. The smaller sizes are also good choices for hotel rooms amenities.

Two sizes of champagne complete the look for bar or banquet.

The rounded shape is mirrored in our sheer rim Grandioso tumblers, and again in our mouth blown 6 oz. Wine-By-The-Glass carafe

Kwarx® Material: Clear, Bright, & Strong

A revolutionary material created specifically to allow sheer rim stems to obtain extreme strength. Give us a call for free samples – and put this revolutionary material to the test in your venue.
