

Intensity and Tendency *by Arcoroc*

Just when you thought it couldn't get any better...

As the popularity of our Zenix[®] Material grows, so does the demand for specific shapes. Three new presentation pieces manufactured from our patented Zenix Material, allows the focus of all attention on the most important aspect of dining – the food!

- Zenix is 4x more resistant to shocks and chipping than other dinnerware materials
- Absolute scratch resistance unmatched by any other dinnerware material
- A flawless finish through 2,000 industrial dishwashing cycles
- Enjoy Zenix in two patterns – **Intensity's** classic, elegant style or the contemporary waves of **Tendency** – mix them together for an eclectic look
- All Zenix is backed by a 5 year chip warranty
- The Intensity pattern is also backed by a 10 year shape guarantee
