

FoodHandler risk nothing.™

SIMPLY. SMART.

PanPals™ | high-heat liners and bags

Now it's so easy to **improve profits**, food safety and HACCP compliance. PanPals™ high-heat liners and bags: saves cost and time in cleaning, **improves food quality**, reduces chance of contamination, and keeps grease from clogging the drains. Simply the smart choice for your operation.

FAST. EASY. MESS FREE.

PanPals™ | high-heat liners and bags

Cook up to 400°F, freeze to -70°F. Our high-heat liners and bags are versatile — use in the oven, microwave, slow cooker and freezer. So easy to use, with so many benefits for your operation.

- + **Improve Profits:** Food won't burn, scorch or bake onto pan surface. No soaking or scrubbing – saves labor cost, hot water and chemicals used for cleaning.
- + **Improve Food Safety:** No food directly touching the pan; reduces the chance of surface contamination.
- + **Improve Flavor:** Foods cook at high temperature, reducing cook time while retaining moisture, enhancing flavor and increasing yield.
- + **Improve HACCP Compliance:** No grease into the drains; reduces plumbing problems.

Fit standard size pans, slow cookers and roasters.

Cook, boil, freeze, microwave and store! PanPals™ do it all!
