Testimonials

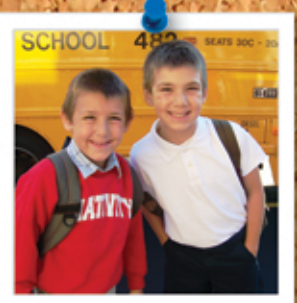

"Our children attend Nativity because of its firm belief in educating the whole student—the mind, body, heart and spirit. Nativity successfully fosters a rigorous curriculum, competitive sports teams, an atmosphere of giving and the awareness of a higher power."
~ Maritza & Jack Ruh

"I graduated from Nativity in 2007. I started my freshman year at Nardin already ahead of everyone else...The Nativity environment is welcoming and encouraging, and the teachers balanced the elements of fun and hard work in everyday lessons."
~ Annelies M.

"We believe that our financial sacrifice was money well spent on preparing our children for their futures. A Nativity of Our Lord education is a privilege that only increases in value and appreciation over time."
~ Colleen and Pat Plunkett

"Our family moved to Western New York 10 years ago and needed to find a school for our young children. Quality academics, combined with strong Catholic values made Nativity of Our Lord school the best choice for us. We are thrilled to be a part of the Nativity family."
~ Dennis and Allison Mann

We chose Nativity because of the quality education we knew our children would receive. The academics are of the highest standard. The teachers are outstanding academically as well as personally. They really care about the children, and want them to succeed on every level.
~Dan and Patti Dignitti

The Nativity Community

Families are the heart and soul of the Nativity community. Throughout the school year, there are several events planned for the whole family including:

- + Open House
- + KidFest
- + Special Person's Lunch
- + Student Talent Night
- + Rummage Sale
- + Halloween Party
- + Labor Day Run
- + Holimont Family Ski Day
- + Wine & Beer Tasting (adults only)
- + Annual Fundraising Gala (adults only)

Our school community is just part of our commitment to families. We also strongly believe in helping other families here and around the world. Children and parents can participate in a variety of charitable activities including:

- + Collecting school supplies for Haiti
- + Supporting our troops
- + Participating in food drives
- + Raising funds for Catholic Charities
- + Collecting for UNICEF
- + Donating to the Heifer International Program
- + Helping St. Vincent DePaul's Dining Room

Whatever your time or talent level, you can help support families close to home or around the world!

NATIVITY OF OUR LORD
CATHOLIC SCHOOL
Where Faith Leads to Success

OUR PHILOSOPHY

Nativity of Our Lord Catholic School, the only pre-K through 8th grade school in the village of Orchard Park, New York, is an integral part of a total Roman Catholic Parish community. The curriculum focuses on the academic, spiritual and moral development of students of all faiths.

Achievement, consistent with a student's academic potential, is second only to the development of those character traits that typify Christian ladies and gentlemen, as well as informed, law-abiding citizens. Participation in sports and co-curricular activities is encouraged and fostered at all levels.

Providing quality education since 1909, Nativity was originally founded by the Sisters of Saint Francis. The present school was built in 1958.

The parish center which houses the gym was opened in 1992. Recent improvements include a new computer lab, art room, pre-K classroom along with a new main entrance and security system.

Reasons to Enroll at Nativity School

By: Sarah M.

Quality Teachers - We have a dynamic faculty fully qualified in each of their individual disciplines. The majority hold Master's degrees and the average tenure of our teachers is 12 years.

Unique Nurturing Environment - Because students range in age from 4 to 14 years, there is a family-like bond created. Older students are able to develop their leadership skills by helping and nurturing the younger students, making everyone feel like they belong and are safe and secure.

Special Resources - Nativity's new Learning Lab provides on-site occupational, physical, and speech therapy, as well as a resource room.

Day Care - On-site after-school day care.

Extra-Curricular Activities - Nativity offers a wide variety of activities to keep active minds and bodies engaged in the world around us.

Arts - Art & musical instruction are an important part of the curriculum.

Athletics - The foundation of an appreciation for regular physical activity, gym classes and team sports provide an outlet for healthy competition. Organized teams include co-ed soccer and boys and girls: Baseball/Softball (for girls), Basketball, Volleyball & Track.

Focus on Faith - Students participate in daily prayer and bi-weekly liturgical services.
