

SPELLING WEEKLY REQUIREMENTS

Students in 5th grade will usually study one spelling unit per week during the 2009-2010 school year. This assignment will stay the same every week unless your teacher announces a change.

Generally:

- ❖ **Mondays**-pretest will be given. This needs to be reviewed by you and a parent, and returned on Tuesday.
- ❖ **Wednesdays**- sentences or ABC order will be due. We will switch from week to week. Both of these will be handed in for a grade.
 - ✓ **Spelling sentences** - Please see attached rules and requirements for the sentences.
 - ✓ **ABC order**- Will be written on looseleaf paper in cursive with a full heading, margin and skipped lines.
- ❖ **Friday**- The weekly tests will be held and all workbook pages will be due.
- ❖ **Monday of the following week** – Graded spelling tests must be signed by your parent and test corrections (10xs each) will be due on that day. Corrections will be completed on the test paper in cursive.

All spelling assignments are a good opportunity to practice handwriting. **Write neatly!**

Please sign below that you have read and understand the spelling requirements.
