

September 1, 2010

Dear Second Grade Students in 2S,

My name is Mrs. Scott and I will be your teacher for second grade this year. We will have a fun year learning and growing together in our classroom.

What do you like to do over the summer? I like to spend time with my family and friends in New Jersey. That's where I grew up. I really like going to the beach. In New Jersey we call it "going down the shore". I like the sand and I like the ocean. It is fun when I can see dolphins swimming in the water, too.

I can't wait to meet you on the first day of school. Can you help me get to know you better? I'd like you to bring in one special object from something you did or from some special time this summer. The special thing has to fit into a brown paper lunch bag. Keep the bag closed and write down a few adjectives on the outside of the bag to describe it. Shh! Don't tell your friends what is in the bag.

In my bag I will have a picture of something very important that happened in my family this summer. These are the adjectives to describe my picture:

Brown, Black and White

Playful

Small

Furry

Did you guess what my special thing might be? I'll tell you about it on the first day of school. See you then!

Sincerely,

Mrs. Scott
