Dear Bill,

Thank you for giving me the opportunity to speak regarding my e-mail service since changing to Spaminator. What an incredible difference in the amount of junk mail that I receive, try none. I went from eliminating 20 to 30 junk mails a day to nothing! I have found your service easy to access and incredibly reliable. I have and will continue to recommend your service for anyone looking to eliminate the e-mail hassles in their lives.

Sincerely,

Michelle Stevens
